

## REQUEST FOR SPONSORSHIP

Thank you for your consideration of sponsoring the East Paulding High School Volleyball program. We are in Dallas, Georgia, at East Paulding High School. All fundraising dollars will go directly to the Volleyball Program and will help provide our student-athletes with the tools they need to have a successful season. There are many expenses associated with running a high school sports program and often very limited resources. Proper equipment and supplies are needed to ensure that our student-athletes are given every opportunity to compete and succeed. Our coaches and parent volunteers work tirelessly, planning various fundraisers and other events to ensure we are able meet our financial obligations. We are also very proud and thankful for our community business partners that generously support our school and our athletic programs.

Any donation is welcome and appreciated. A \$250 donation (Bronze Level) guarantees your company's name/logo on our sponsor signs that will be displayed in the gym during our season.
